Birmingham Regatta 2017

Rules

1. Entries will be limited to a maximum of 125 crews, and entries will be suspended once 125 have been received.
2. The event is being run in 2 divisions. Boats and crew must ONLY be entered once in each division.
3. Crews will be banded in groups of 4 according to their crew ranking points. Gold medals will be awarded to the winner of each band.
4. Racing will start no earlier than 9.45am.
5. **Senior events**—You may enter the same crew in the morning and afternoon divisions.
6. **Junior events**—Group A is for the more experienced crews (crews who you would expect to see in a Junior A event) and Group B for the less experienced groups. We would not expect to see crews with many ranking points entered into Group B events.
7. In order to give the youngest juniors more racing all J12 and under events will be open only.
8. **Masters events**—crews with more than an average of 20 ranking points per crew member should be entered into the Group A event. Masters crews will be banded as per rule 3 above and not on age.
9. All events will be run as round robins (where numbers of entries allow) and crews will stay on the water until the round robin round in their event is completed. All crews in an event should boat at the same time which is 15 minutes before the first race in that event. All races will be timed. The winning boat will be determined by the number of wins in each event, then by the results of the race involving any tied crews, then by cumulative winning times or if not possible by cumulative winning margin. There may be a final race to break ties.
10. Entry is by British Rowing online entry (BROE2) only but this site will be active from 10th February 2017. Payment will be by cheque, electronically (please contact for bank details) or BROE2 and these should be made before the day of the regatta to avoid a penalty of £1 per seat.
11. All entries scratched after the draw will be charged. Clubs should inform us as soon as possible of any scratchings.
12. The regatta committee may change any of these rules to suit particular circumstances.
